

# Avient Specialty Inks Mobile

ZODIAC<sup>™</sup>  
ECOCENTRIC INKS

Users of our **Avient Specialty Inks Mobile** app are already accustomed to the ease of access to our Pantone® -approved color formulas from your mobile phone or tablet. Introducing an additional tool for users of Avient Specialty Inks Mobile—the Ink Selector Tool.

You can select the right ink for your needs by searching for the fabric you are printing on and reviewing the options available. After identifying an ink well-suited to your needs, quickly download a product information bulletin (PIB)—all available at your fingertips.

## IMS 3.0 MOBILE

IMS 3.0 Mobile allows you to match Pantone®-approved formulas for Zodiac™ color mixing portfolio.

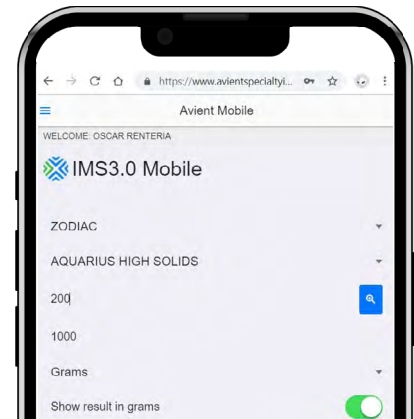

1. Go to <https://www.avientspecialtyinks.com/ims-mobile>.

2. Enter your credentials. If you don't have an IMS 3.0 Mobile account or forgot your password, use the hyperlinks at the bottom of the page.

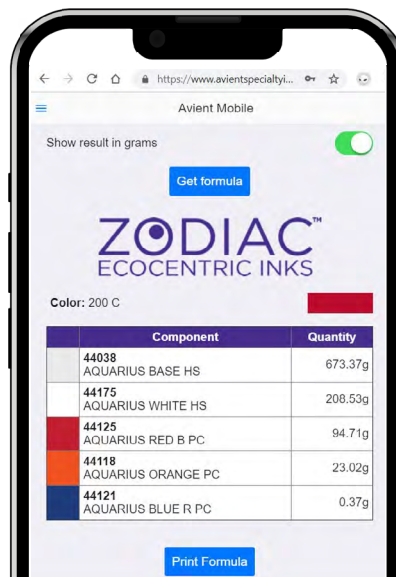

3. Select “IMS3.0 Mobile.”

4. Select the brand and mixing system you need. Enter a text to search, then click in the blue button.

5. Select the color you need from the drop-down list.

6. Enter the quantity and the unit you need. Select “Get Formula” to obtain the formula for the color. Select “Print Formula” to save and print your results.

## INK SELECTOR TOOL

The Ink Selector Tool makes it even easier to find the right Zodiac™ ink for your needs, while providing useful technical information.

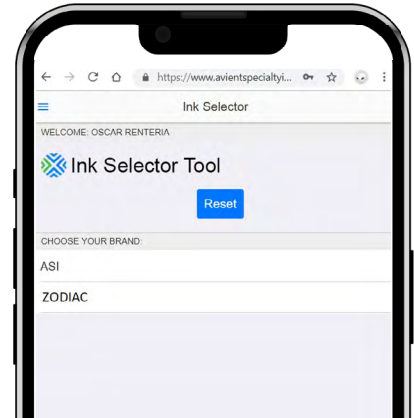

1. Go to <https://www.avientspecialtyinks.com/ims-mobile>.

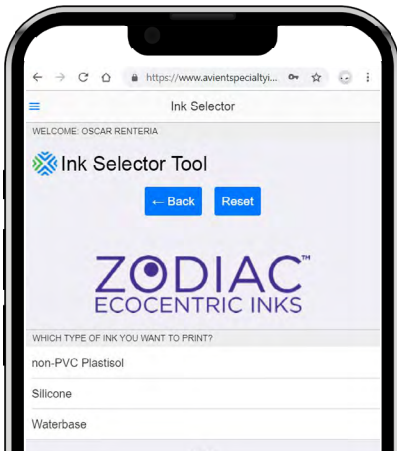

2. Enter your credentials. If you don't have an IMS 3.0 Mobile account or forgot your password, use the hyperlinks at the bottom of the page.

3. Select "Ink Selector Tool"

4. Select the brand you would like to explore.

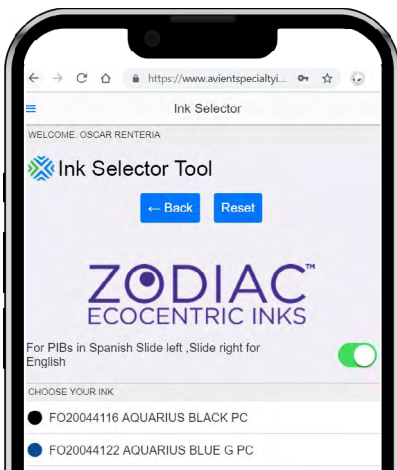

5. Select the ink chemistry you need.

6. Select the type of fabric you will print on.

7. Select the product type to obtain the list of inks available.

8. Choose the ink you are interested in to download the product information bulletin (PIB). For PIBs in Spanish, slide the button on the right. If this category is part of a color range, a hyperlink to the color card will also appear.
