- **Run for a further 10 minutes if adding softener.**
- **Drain bath and unload**
- **Hydro extract goods**
- **Dry/Cure @ 150°C (temperature must not exceed 150°C)**

## CHARACTERISTICS

1. Kelp is a common cosmetic ingredient and is generally used as an aid to help tone and firm the skin and could help to boost a sluggish metabolism through its high Iodine content.
2. Gotu Kola is used in cosmetics to help support the skins underlying collagen structure, and could therefore help to combat cellulite.
3. Ginkgo Biloba is used as a cosmetic ingredient as it is claimed to help improve blood flow

## DISCLAIMER

The information herein offered is based on the best of our knowledge at present. However, we are not able to guarantee these matters, as the result of application may vary according to conditions adopted. Preliminary tests are, therefore, recommended in all cases. Please refer to MSDS regarding handling of the products.
